Who Needs “Live Near Your Work” *Solutions and Options?* *Our workers, our businesses, and our communities.*

Home prices are out pacing wages and income. Employees in Montgomery County struggle to find homes near their jobs. In fact, the distance and the time commuting to and from work is a primary complaint for area employees.

Come join us on May 9th and learn what other area employers are doing to help their employees bridge the gap between workplace and home.

Hear from local experts from the housing, finance, and transportation fields.

Learn about:

- ◆ Maryland’s *Live Near Your Work Plus* and *House Keys 4 Employees*.
- ◆ Freddie Mac’s *Workforce Home Benefit* program and Fannie Mae’s *MyCommunityMortgage* program.
- ◆ Montgomery County’s housing programs.
- ◆ How public-private partnerships are addressing these concerns with unique initiatives.
